“ Dearest Bobbi and Ryan, we are holding you in our thoughts and prayers. Even in this time of sadness, I catch a smile on my face as I remember the wonderful times we have shared over the past 47 years. These memories will warm our hearts the rest of our days.

With Cheryl out of the country, we can only send our hugs from a distance now but please know we are hugging you both in our thoughts. Know that we love you both dearly and will visit soon to hug you in person.

“ Larry used to come to the branches to assess environmental compliance and offer wise advice on required action. I found him to be a straight shooter, with a sly sense of humor hidden behind a gruff exterior. Later, I enjoyed getting reunited with Larry at several Stray Katt 500 car shows in Dewey, where his beautifully restored Model T racers and his vast knowledge of them were always a big hit! He will not be forgotten!

“ Sorry for your loss, Ryan. Your father was a good man, and I am sorry I didn't get to meet him. Let me know how we can help you during this rough patch. I remember how tough it can be from when my dad passed 6 years ago...
