

## Margaret Mary Armstrong (Kennison)

January 25, 1949 - February 4, 2020

Margaret Mary Armstrong {Kennison} left to be with her Lord and Savior on February 4, 2020 at the age of 71.

Margaret, known to everyone as Mary, was born to John H Kennison and Georgianna Ball in Saratoga, NY on January 25, 1949. Mary moved to Tulsa, OK in 1962 where she met her husband and love of her life Gene Armstrong. They were married in Tulsa, Ok and later settled down in Cleveland where they built their home of 44 years and raised their 4 children. Mary was very involved in church for many years and was a Sunday School Teacher for many of those years. Mary was a care giver for most of her life, caring for both the elderly and the young, along with being a waitress at every restaurant they had in Cleveland back in the 70's and 80's. Mary built her world around her family, being a wonderful mother, daughter, sister, and friend, teaching her children the importance of family and always being there for one another above all else, and leading by example. Mary's favorite past time was preparing family dinners and hosting music parties on the weekends with everyone in the family. Gene made sure there was plenty of music and Mary made sure everyone had their stomachs full. During the summer you could always find her sitting on the front porch with all the kids around. Mary had a heart of gold, full of compassion, and loved so very deeply, with all of her heart.

She is survived by her 3 daughters, Roxanna Hutchinson and Andy Antonian of Cleveland OK, Son, Larry Armstrong of Sedan, KS, Rhonda Albee and her husband Jim of Caney, KS, Jeaneen Bennett and her husband Rodney of Terlton, OK. 4 siblings, twin sister Peggy Everleth of Au Sable NY, Cheryl Haff, of Schroon Lake NY, Billy Ball and his wife Denise of Owasso, OK and Pam Chapin and her husband Robert of Tulsa OK. 5 grandchildren, 4 great-grandchildren, and numerous other relatives and friends. Mary is preceded in death by both parents, her husband Gene, a brother Rodrick Haff, and grandson Keine Hutchinson.
