Lt. Steven Graham Brewster of the US Navy (Retired), Age 51, has been a resident of Bartlesville Oklahoma since 2012. Mr. Brewster passed away on 3/6/2022 @ 0525 am in Ochelata, Oklahoma. He was born to Gary Graham Brewster & Sharon Kay Brewster - Kemp on January 4th, 1971, in Charles City Iowa.

Steven was a High School Graduate of the class of 1989 from Belleville Kansas, where he attended school from 6th Grade – his Senior Year. Steven was an active member of many after school clubs and activities and a leader in the High School Marching Band where he played trombone. After he graduated from High School, he went on to begin his college career at Bartlesville Wesleyan College, (Now Oklahoma Wesleyan University) in Bartlesville, Oklahoma. He became a member of the college's traveling music group, The Freedom Singers, and traveled the country during the summer of 1990. He went on to obtain his Paramedic License the following year and began working for EMSA, in Tulsa, Oklahoma and he continued that for the next 4 years until he enlisted in the Navy, November of 1994.

He then went to Corpus Christi where he served for approximately 4 years, becoming Commissioned as an Ensign before being deployed to Iraq during the start of the 2nd Iraqi War. He returned from Iraq 9 months later and was stationed again temporarily in Corpus Christi before his next duty assignment in Las Angeles, California. He spent the next 4 years in LA working to help train other medical personnel in trauma training from all branches of the military, so that they would be better equipped to handle the acute trauma's still happening in Iraq to our soldiers that continued to fight in Iraq & Afghanistan. He finished out his Naval Career in San Antonio, Texas, as a Lt., where he assisted in the development and building of a new, state of the art, medical training center where all branches of the military could now come and learn the skills, they would need to be successful in their medical military careers.

Steven returned to the Bartlesville area in the fall of 2012, where he has resided since that time. His love for music and his faith in His Lord and Savior never wavered.

“ RIP Steven, you was a guest of our home many times. We send our love and prayers to Kim and Paul. There was not a better person in Belleville High School, then Steven. While giving of himself and being educated in medical, he helped many of young men and women in the military, God rest his soul. Sincere sympathy Keith and Barb Cook

“ What a high price Steven paid as he served our country in the military. "Thank you" is such an insignificant way to show my appreciation.

I shared with him a few years ago, via Facebook, what a pleasure he was to my parents while he was a teenager living in Belleville. He made them feel special during those years. He also worked in a nursing facility, caring for the elderly and he made some wonderful memories with my 90+ yr. old grandmother while he took care of her needs and helped her view life in a lighter vane. What a gift he was to our family.

The whole Brewster family left a kind and gentle footprint while they lived & served the community in Belleville.

My heart breaks for you, Kim & Paul, as you are left to carry on this valuable heritage in your own locations. I trust you will sense God's comfort and peace as you heal and carry on in this challenging life.

My love and continued prayers for you.
