“ *We met Dane & Deanna in the 80's. Mike & Dane traded baseball cards & went to a card show one time. Mike remembered when Dane came over & MTV was on... and Mike said MTV was gonna be a fad that fades....something like that. Condolences to the family. Praying for comfort & strength during this time.*

“ *Daddy, I miss you so much and I love you more than words. I never thought this day would come so soon and I'm not handling it very well at all. I need you... If only my love could have saved you, you would have lived forever. Fly high and watch us over, I will make sure your grand babies remember just how amazing you are! ❤️

“ Oh my Lord in heaven please let his family feel your presence. I loved Dane. He spent so many summers at aunt Arties and came to our house. He is my favorite cousin. I wish I would have told him and got to know his family before now. Rest in peace dear friend and double cousin 🙏🏻👐🥲
