“ *Lesa worked for me for 10 years at Taylor Homes Group. When my grandfather passed away, I remember my Dad talking about his Dad as someone who didn't work hard, but worked easy. He meant that grandpa found the best and most efficient way to accomplish a task.*

Lesa worked easy also. And it helped that she had a smile that lit the room. Some folks smile with their mouth, others with their eyes, Lesa smiled with her heart along with her beautiful face. And she was a great help to me in her 10 years of working with ease and grace. I came to love her very much, not just because she was a dependable, trustworthy, and an easy working employee, she was my friend.

Lesa will always have a special place in my heart.

With love and hope for seeing you on the other side of the river,

Brent Taylor
