“ *You were the constant in a changing world. The center of family activity. So much love and wonderful memories. Thank you for all you gave us.*

“ *Fondest of memories of all the Thanksgiving and Christmas celebrations, the visits, the going swimming out to Ada's Pond. Apple pie, creamed onions, and wonderful gardens. Aunt Alta was the center of the Paulman family for many years, seemed we all got together around her table. Sometimes to eat, sometimes to play Chinese Checkers and other times to watch a slide show of some trip or family activity.*

I will never forget all the wonderful times and all the love shared with Aunt Alta and with Uncle Dan when he was still with us. God Bless You Aunt Alta and until we see each other again may you sit with Dad, and your siblings and Uncle Dan looking over us. I will feel your love every day until I go to join you all!

“ *Alta and I were “room-mates” at Pine Heights 5 years ago. We shared stories of our Vermont years. She faced adversity with a gentle response to life and love of it and her family.*

“ *My great aunt was a remarkable person and her memory will always live on. I remember a few Thanksgiving Feasts and other family reunions. My father, her nephew, was in the military, so we weren't always close by. However, she always wrote the best letters. I knew that when I sent a letter or post card to her, it would always be answered.*

I am happy that my son got to meet her too. He was quite young at the time, but he remembers the trucks she had for him to play with and the mac and cheese she made him for lunch.

I wish I had the opportunity to see her one last time, but I know in my heart she is resting peacefully.
