“ *Rosa. Gloria and I were saddened to hear of Ricardo's passing. I enjoyed the several times I got to visit with him, and really enjoyed working with you at Phillips. Our daughter, Kathy, who graduated with David, arrived last night with her sister and her children to attend a reunion of the girl's MYF Youth Group at our church.*

“ *I cannot say how privileged I feel to have had such a wonderful woman in my life for so long, many people do not get half of the time we did, she touched many people and was loved by many more than she realized. She would not have wanted anyone to be sad for her or to pity her, she made that clear as she was struggling with cancer. So in her memory I hope everyone can take away a positive experience from her and simply smile for her, and smile with true happiness, even though we grieve for her. Even though we are sad for her thinking of her makes us smile.....*

“ Sorry to hear about your mother's passing. I'll always remember her smile and friendliness when I ran into her. She did a wonderful job raising her family. Keeping your family in my thoughts and prayers.

“ I am so sorry for your loss. Although I did not know America personally, I know how it feels to lose someone you love. I recently lost my father, who was also a very faithful witness of Jehovah. My hope is that you find comfort from each other and from the wonderful promise we have of the resurrection where we will be reunited with our loved ones, John 5:28,29. May Jehovah continue to comfort you.

“ I have wonderful memories of going in the ministry with America. We also went to a lot of garage sales together. May the hope of a Paradise earth comfort you. Christian love from Jane Reedy.
