“ *Memories of my dad...
The best memory I have of my dad was when I was younger and we would go fishing at the creek. He sure loved the creek. I will miss him even more now. For ten years we haven't spoken due to a disagreement. I always wanted to make ammends with him but never got the chance. Of course he took that anger to his grace. But I just wanted you to know I love you....
Your son....
