“ Angie,
My sweet friend. My heart hurts so badly to hear that your sweet soul has left this earth. You were my friend and mentor. You persevered through so much in your life time. You are a role model for others. You helped so many people during your career and your spirit lives on in them and through your darling Craig and Cameron. I miss you Angie. You were beautiful inside and out. I wish I could hug you once more. I love you so much. Love you forever.

“ Our family met Angie when she was a young teen. Our daughter Amanda was so excited to see someone in a wheelchair like her. When Amanda finally got the courage to go up to Angie and talk it was an instant friendship. Even though Angie was a few years older she always had time for our kids.

As we watched her grow into a young women, get married, have her son and find her career we still stayed close. I know our Mandy was waiting at the gates of heaven with open arms to welcome Angie and they are waking together on those beautiful streets of gold. Rest In Peace sweet Angie. Until we meet again

“ I worked with Angie while I was at Youth and Family Services. We would gather in Angie's office and share stories and have lots of laughs. She always made me feel a part of the workplace and also let me know she valued me as a person. She was so encouraging to me; she was one of the first that I met when I first came to Bartlesville. I so admired her determination and her stubbornness she showed me that we can do anything we put our mind to. She spoke so dearly of her family; how she loved them so very much. My thoughts and prayers are with you (her family); I will so greatly miss her.
