“ *I am so sorry to hear of Angelique's passing. We were sorority sisters at OU. I remember sharing an apartment & working together at Target one summer...what fun!
My condolences to the family.*

“ *I knew Angelique at OU in the mid to late 70's, her sorority house was across the street, and I was a Kappa Sig.*

Angelique was one of our little sister's at the fraternity, she meant a lot to all of us. She was a very giving person of her time at our fraternity house.

She will be deeply missed.

Angelique, you will always be in my heart.

“ I have many memories of hanging out at Angelique's house, as well as those from adulthood after we left PV. At their house on the hill we played Twister and literally ran the neighborhood back in the good old days. A sense of family was always evident in their home. As adults, I heard the love she had for her daughters in her voice, as we shared many conversations. She was a light in the darkness. I will miss her. My sincere sympathy is extended to her daughters, and to her existing family and friends. May you find peace in her memory.

“ Angelique had such a fine, dry wit and was cool back before it was cool to be cool. I think all of Angelique's friends in PV loved being around her because she made us all feel we were important. My sorrow for your great loss, my wishes of peace for you all.

“ Jessica and Jordan,
Our thoughts and prayers are with you during this difficult time. I have many memories of her standing in our kitchen sharing her stories of OU, her love for classic rock 'n roll, and us comparing garden tips! Keep the special memories close to your heart.

“ Angelique was one of the most unique people I have ever known - one of those you feel privileged to have crossed paths with in this life. I always looked up to her when she was in high school and I was in junior high. I think I wished I was more like her - strong, beautiful, confident, and literally the funniest woman I had ever met. Her wit was so quick and sharp, but never mean. She commented on the world as she saw it, and there was a wisdom and truth in her humor. It is hard to believe she is gone - she was such a force of nature. I am so glad that her suffering is over, but so sad that she is no longer with us. Blessings and peace to her family.

“ I worked with Angelique many years ago in the late 70's/early 80's. What a beautiful young girl. She was always happy, nice to all, a hard worker and a forever fun person to spend time with. I remember when she bought her first house, on Oliver street in Norman, I believe. She was so proud and happy. Always very close to her family and if you knew Angelique, you got to know her family. Wonderful person. Wonderful family. I am heartbroken to hear of her passing. My prayers for all who loved her, especially her daughters, mom, dad and other family members.

“ We were friends from Girl Scouts to OU, even dating fraternity brothers and being Kappa Sis Little Sisters together. When I saw her a few years ago at a Kappa Sigma reunion, she looked as young and happy as ever. She was a great blessing and will be missed by us. Special prayers to all her sweet sisters.

“ *Terry and I want you to know that we are thinking of you and are very saddened by Angelique's death. We were great friends in high school. Band trips, football games, slumber parties (not for Terry!) and the fun of youth. Angelique always kept everyone laughing. She will be greatly missed.*

“ Dear Family and Friends,
Angelique was kind and attentive to her friends. She told us that she was proud of her daughters and how much she loved them. At the last reunion Angelique attended, she shared stories of her classmates in high school. We still laugh at those stories and special times. She will always be missed. Take comfort in your memories and the love she shared with each of us. With deepest sympathy for your loss,
Bob and Karen Battles

“ Dear Jessica and Jordan,

My thoughts and prayers are with you both. I have so many fond memories of your Mother- she was a neighbor, friend, and co-worker. She was an incredible person- always true to herself and others. She was a beautiful person inside and out.
