“ *Titus 2:7-8. in all things showing yourself to be a pattern of good works; in doctrine showing integrity, reverence, incorruptibility, sound speech that cannot be condemned, that one who is an opponent may be ashamed, having nothing evil to say of you. That verse reminds me of her. I was blessed to have had Mrs Williams as a teacher my freshman and senior year(yes...she was my favorite teacher) . She shared her love of books with me, however it was her character that she shared that I will cherish the most. The twinkle in her eyes and her beautiful smile will be forever in my heart.*

“ *Ann was like a second mom to me when I first started teaching at Skiatook. She became a good friend and mentor. She will be missed.*

“ My heart and prayers are with all of the Williams' family. Mrs. Williams had an impact in my life during school years and then as an adult worshiping with her. She was always quietly teaching. I know she will be missed. Prayers of comfort for all of the family during this time and the days to come.

“ I had the privilege of being her student in 8th grade English. She instilled in me a love for our language or at least as much love as an 8th grade boy can have for English. She touched so many and was a positive role model to those she taught.
