“ To Billie Sue, Neal and Bart, I (Janice Robinson Moore Hernandez) grew up knowing her as Sue Armstrong. Myself and my brothers and sisters went to school with Billie Sue, Neal and Bart. We were the Robinson's and our dad worked for Bill Strom. Sue was very active in 4-H and played a big part with activities, etc. at Bowring School. It has been many years since I have seen Sue but I will always remember her as a fun and active part of Bowring School and functions. My brothers and sisters are so sorry for your loss and we send our condolences. Our mom and dad(Jess and Lorine Robinson) have been gone for many years and I understand the feeling of loss and sorrow but remember she is in a better place now....no sorrow or sadness. Take care!

My sympathy to Mrs. Armstrong's family. She and her husband rented my father's land for many years. My parents had a lot of respect for them. Frances (West)Williams

“ Sue, was such a sweet lady, so many of the men who worked for NRCS would always talk about all the good food that Sue served at the Caney Valley Conservation District Board meetings. She definitely spoiled them!

“ Sue was the best angel God could have granted me when I moved here From Oregon and went to work in the extension building. Like everyone else I was 1 more of her little sheep she took care of. She was so full of love, grace and beauty. And I loved her. She will forever be in my heart. A heartfelt sympathy to her family. She is one of God's best.

“ *My pretty Aunt Sue Armstrong lived in a converted schoolhouse when we first visited her and my Mom's brother Bill from Spokane, WA. Many more visits in Oklahoma..and Spokane ..were highlights for me, especially my last visit to her ranch last year. She welcomed me, cooked up her usual feasts, and gathered the clan. A most amazing woman who worked hard, got her education, and raised wonderful children, grandchildren and great -grandchildren. We will miss her so much, but are comforted by all the wonderful memories and love she leaves behind.*

(Great) Aunt Sue was such a wonderful and special woman. I didn't get to visit with her very many times, but the few times I did, she welcomed me as if we were neighbors. I will miss Aunt Sue.
