“ Grandma Annabelle I will miss not seeing you and hearing all the funny stories when I come to Dewey to visit. It just won't be the same. I have so many memories through out the last 30 something years that I will never forget. Through all the sadness that you have left here on earth from your exit, there are hundreds of smiles embedded in our hearts.

“ *In My Heart I thought of you with love today,  
but that is nothing new...  
I thought about you yesterday,  
and days before that too.  
I think of you in silence,  
I often speak your name.  
Now all I have are memories,  
and your picture in a frame.  
Your memory is my keepsake,  
with which I'll never part.  
God has you in Heaven,  
I have you in my heart.*
