“ As I have said "Heaven has gotten another Angel back" when Aunt Anna danced through those golden gates With all her family standing waiting on her. Heaven hasn't had a quite time since so many of the Bench family is there. But I feel selfish & want her here, **HOWEVER** I do know she is better, happier & full of life again. Now she watches down on us making sure we are all doing right or out comes the thin paddle & we will know she is warching,

“ I was truly blessed to have Anna as my mother-in-law for the last 30 years. She was a very special lady! She was very courageous in her fight against cancer and kept going when most would have given up. I have learned so much about strength and compassion from her over the past two years. I love you Mom and know that you are at peace now.
