“ *Annette was my neighbor for many years of my childhood. Kenneth was my schoolbus driver for almost all of my school years. Not one time did she or Kenneth turn me from their door. I'm sure I was a bothersome kid from time to time, appearing for no reason than to spend some time talking to her while she & Mrs Foreman worked in the kitchen or asking Kenneth for help for my grandmother. Both Annette & Kenneth were nice to me and from time to time simi-surrogate parents. It has been many, many years since then but Annette will always hold a special place in my heart. I will miss your presence my friend.*

“ It is with a sad heart that I heard the news of my dear friend, Annette, passing from this life. She was just like a sister to me all of our years growing up together. We lived only a block apart and was always together as children and teens. I miss her very much now and will in the future. Oh how I appreciate the daily calls from Kenneth when she was so sick and in the hospital at Tulsa. He was so good to keep me posted on her situation and I will never forget his thoughtfulness in that regard. Thank you Kenneth. Annette has fought a hard battle with her health for several years and I know she is at peace now with our heavenly Father. Rest in peace Annette. I will miss you forever. Love you sis! Lula Ann
