“ *Arlen was the first to welcome me, as a new kid at Inman High School, in 1969. We became good friends and that remained, from then on. He reached out and offered support, when our son was killed in an accident in 2017. Those things mean a lot. His testimony as he was facing death, was an inspiration. Looking forward to the day when we reconnect, in heaven. He beat us there! Dale Leighty*
