“ *Nancy, my condolences are with you and your family at the sad passing of your Mother, Barbara. Barbara's path and my path did not intersect during or journey on this earth, but I know she was a kind and loving lady and Mother. I wish for you to have a ready recollection of the good times you and your Mother shared in the days that are ahead for you. She has a new name now, the cancers impact is over and she is at rest with Jesus in the home prepared just for her. Blessings to all of you, Arlen Millikan*

“ Barbara was a beautiful person—always fun, kind, and considerate. We didn't get to see her often—usually at family gatherings—but always enjoyed being with her. The world is a better place because of her life. Deepest sympathy to Carlene and her wonderful family.
