She also loved to share her knowledge in the genealogy field and taught and trained many in the community through DAR and the Bartlesville Genealogy Society. She was also involved in the community as a board member of the White Rose Cemetery and the local cancer society.

“ I am a cousin, by way of my Aunt Mickey's marriage to Lyle Fulton, to Barbara and I usually only got to see her during family reunions in Pawhuska, Blackwell or Bartlesville and sometimes Tulsa. I am so sorry to hear of her passing last year and was contacted recently by her daughter, Nancy, to let me know about the memorial service for her. I am unable to attend, but please know that my prayers go out to Jack and the rest of the family and hope that there is peace with her memorial service.

Love,

“ Barbara sold me all of my Tupperware, Barbara and Jack and Bud and I bowled in the same Phillips league. Barbara was instrumental in getting me into DAR. A truly blessed woman and I was blessed to be her friend. I know she is in Heaven with the Lord, happy, healthy and enjoying her loved ones who passed before her.

“ Mrs. Fulton was a very sweet lady and the best Tupperware lady. My family lived a few houses down from the Fulton on hickory and what a wonderful family. Please know the Wilson family is thinking and praying for you all in your loss.

“ All who knew Barbara loved her special joy she projected as she helped anyone, anyway and anytime she could. I would not be a member of our local DAR Chapter if it were not for Barbara's constant determination and efforts on my behalf. I was accompanied by my friend on my first trip to Continental Congress and what a time we had. Serious times, fun times and yes, a few shenanigans. What fond memories we made. I will miss my dear friend as will the NSDAR Bartlesville Chapter. Heaven open the gates and in went a very special person. I can only imagine what she's up to. :-)

Love and prayers for the family!

“ *Barbara was such a wonderful, knowledgeable, and generous person. She never hesitated to help anyone with any kind of genealogical problem or question and was extremely generous with her knowledge, time, and expertise. She had a great sense of humor and was a very authentic individual. I found her to be pretty much a “what you see is what you get” kind of person and I really appreciated that about her.*

*Barbara taught me so much about genealogy and about DAR. She helped me grow in so many ways by encouraging me to do things I had never done. But most of all she made me feel important - like I mattered - like I had something important to offer. If not for Barbara, I would have just gotten my DAR Patriot certificate and that's it. I would never have gone to a meeting, I would never have designed the local DAR chapter website, I would never have done the chapter newsletter, I would never have become involved with BGS, and I would never have met so many wonderful people. Barbara not only changed my life, she enhanced my life and she will always have my gratitude and a place in my heart. She will be sorely missed by many.*

*My condolences to Jack and her family.*
