“ Beloved friend and neighbor. From her porch swing we had many conversations. She mothered our neighborhood with love and kindness. We will miss her and know she has left her legacy in our neighborhood. My kids want to express that they all loved her and will miss her very much. They are so grateful to have been part of her life. Our sincerest condolences of prayer and comfort to all of her family.

“ My mother's oldest friend. They both would sit out and swing together and car watch. Both of these nice ladies are forever missed and watch over our steps from up high. Saints in mothers clothing. It was a blessing to have known her. Glenn Myers
