“ *Bart..I loved you so much and I am going to miss you so much as well... you were more than just my big brother you were my best friend as well.. we have been through so much together and we made it through it all, You fought so hard to beat that stinking cancer, and in the end you were still fighting.... You was always there for me when i needed anything and if i needed help in any way i always knew i could count on you to help me out....now it is my turn to help you by making sure your wife and kids are taken care of and are happy.. i will always be here for them and i will always have you in my heart for that is something no one can take from me, your body may no longer be with us here on earth, but the memories and the love will always be here...rest in peace my sweet brother.. love always your sister*
