“ I met Kay at Honda of Bartlesville earlier this year. She wanted to buy a car and we found the right one for her. I really took a liking to her and would call her every once in a while to see how she was. She would do the same with me. I feel so honored that Kay came into my life when she did. It truly was a pleasure knowing her. Jason

“ *My grandma was the best woman in the whole world. I never had anyone love n care for me like that woman did. She made me feel like I was nothing a angel in her eyes. Anything I needed or wanted she made sure I had it n plenty of it. She spoiled me rotten. She left so many memories I'll never forget. What I wouldn't do to just lay in her lap on last time while she combed my hair with her fingers.. even to tell goodbye... She's missed so much n will always be.*
