“ *This is my daddy, maybe not by blood but definitely by love. He was such a wonderful man. He never treated me, Sonya, or Tina like step children. Although growing up us girls knew if we wanted to do something to send Shari in to ask him because he could not tell her no. I am blessed to have him in my life and so thankful he and mom found each other. So many memories. All I can say is I love you dad and I will miss you for the rest of my days.*
