“ *I am so sorry to read about Bernadine's passing. We talked two or three times a year on the phone and I visited her each time I returned to Kansas to see my sister and other relatives. She was a strong, very intelligent lady - and my last remaining Aunt, among the 9 children ...my mother was Roberta who often said that Bernadine was her favorite sister.*

I tried calling her like I often do a couple of weeks ago and found that her phone had been disconnected. I had hoped that she had only moved from the house into one of you daughter's home, I have been looking to also see if maybe the Lord had called her home. I bet she was getting a ton of laughs from all the political presidential fights going on - politics seemed to be one of her favorite pass times, a subject we usually found time to talk about each time I called.

Wishing each of you strength during this difficult past year.

Best Regards, ...a loving nephew - Michael W. McGee (Mike)
