Thanks to the people that walked in to my life and made it better. And thanks to the ones who walked out and made it amazing.

“ Bernard was a fun cousin. When we came from Michigan to visit in Oklahoma we always had fun. We would walk the streets of Vian. We would collect bottles to return and go to the store and get candy. Some times we would go to the movies. Bernard, Paul and my sister Gwenn took me and cousin Tim snip hunting one night. He was a great cousin.
