“ *I always thought of Betty as my sister.They say "you cant pick your relatives",but i did.I had a wonderful family,Mother,Daddy,brothers and sisters.Betty willingly shared everything with me,even her family.I am therefore blessed with nieces and nephews who call me " Aunt".I am fortunate for having known her.Her memory will live on through her Children and Grandchildren,and I am honored to be there for them.*

“ Betty was my sister-in-law. My favorite memory was the day Betty sprinkled "prayer oil" on the head of my ailing dog Cupie. It gave him a night of sleep without pain. Betty and Cupie are now in Heaven together.

“ I am so sorry for your loss.Betty always made me feel like part of the family.I remember Joya & I hanging out on Main St.like any other teenager did...well we were not supposed to be up there,Betty got in her car,found us & boy did we get a scolding.At the time it was so embarrassing,but now everytime I think of that time I just have to laugh!! Did I mention she put the car in park in the middle of Main street?She was a mom with a stern hand & a big heart.And I am so lucky to have known her.
