“ Betty was a wonderful classmate! She always had a smile on her face and was friendly with everyone. She kept up with the class of 1953 and informed us all on our mates! She was caring of us all! She will be deeply missed.

“ I met Betty (& Gordon) when Sally and I met and became friends in Jr High. Betty was a wonderful and fun person and loved her family dearly. She helped me be hired at Reda my Sr High year and during college summer breaks. I remember the fun times we had when I bowled (subbed) on their bowling league. We had lots of fun...she is missed. My prayers and love go out to the family.

*I am sorry to read of Betty's passing. I worked with her many years ago at the Reda Credit Union. Betty was so nice to everyone, and had such a wonderful sense of humor.*

*We all went through the flood of '86 together, and worked through the cleaning and rebuilding. We joked about laundering money, as we washed the flooded currency.*

“ *I just recently met Betty but I liked her immediately!! She was so adorable when she admitted to giving her puppy people food with a bashful look on her face. I am so sorry for your loss.*
