“ Betty and my mom Bonnie were best buds. They shared a common interest in plastic canvas. They were always exchanging patterns and ideas. My favorite times with Betty were our family vacations that she would join us on. Some of the adventures she joined us on were St. Louis arch, Tyler, TX to a plastic canvas store, Minnesota to see Paul Bunyan and to Branson, MO a few times. I will deeply miss my "second" mom, but I know her and my mom are having a craft party in Heaven.
