“ *I am sorry for your loss. It is comforting to know that God understands your grief. More than that, He promises to do something about it as foretold at Acts 24:15. Until that wonderful promise is realized may God soothe your grieving hearts and give you peace during this difficult time.*

“ *What a beautiful picture you have chosen. It expresses her love and her witty side. I loved her sense of humor, her kind comments and the caring way she took care of those around her. Bill and I have taken over her leadership of Good Shepherd Retirees. The format she set up for this group is still going strong. We think of Bill and Beverly fondly. We wish you to know what an asset your parents were to the church, especially the Retirees.*
