“ I spent many evenings at Starbucks in Boise Idaho with Beverly and Bob having conversations about every topic. Beverly had such a unique perspective on many topics and always made me smile. It is hard to believe she has passed and I will miss her being here in this world with us. I remember her Townie bicycle parked next to Bob's bike, both locked to the tree in front of the coffee shop almost every evening during the beautiful summer nights. Beverly would have the whole newspaper spread on her table with her coffee in hand and a smile on her face when I would show up to visit with both of them. Those were care free magical times and I wish we could do it again. I was also was also their waiter at Olive Garden in Boise, my job then at that time, and Bob and Beverly would come in on schedule once per week at the exact same time, and Beverly would get the same dish every week. They always requested me, and it was a great pleasure to see them every week. What fun times we had, and we will miss you Beverly. Your friend from Boise, Brent Knudson

“ Beverly was always a good friend. She kept us all laughing. The memories we shared through the years of school, summers, events and activities were priceless and continue to bring smile to my face. May peace be with her.
