

## Biff Middlebusher

April 28, 1955 - November 15, 2022

Biff Middlebusher made his final ride to heaven on November 15, 2022. Biff was born on April 28, 1955, in Nowata, OK to Amos and Violet Middlebusher. He lived in Nowata his entire life, never living more than two miles from where he grew up, graduating from Nowata High School in 1973. Biff worked for Bell Camper Sales for 20 years, Disan Engineering for 15 years, City of Nowata and Nowata County District 1 before retiring on June 30, 2022. He loved motorcycles, old cars, Jeeps, anything with wheels, rock crawling, camping, and shooting. He was the cool uncle according to his nieces and nephews. He chauffeured them around, let them ride his motorcycles, and shoot his guns. He was their 911 call when they had trouble. Biff loved to travel with family and friends. He took his last trip in September to Angel Fire, New Mexico. He was diagnosed with Pancreatic Cancer on November 1st.

Biff was preceded in death by his parents, siblings Norma, Linda, and Karl, and nephews Terry and Barry. Biff is survived by his wife Sue of 48 years and his dog Amos, sister Wanda, 12 nieces and nephews, 23 great nieces and nephews, 8 great-great nieces and nephews, special friends David and Christy Lynn, and a host family and friends.

In lieu of flowers, donations can be made to a special account at Regent Bank in Kennadee Bible's name for her upcoming open-heart surgery. She is Biff's great-great niece.

“ *Biff and I have been friends and pals and buddies ever sense we were in the first grade. We worked together and played together for many of those years. It was always a good time and not to many dull moments. Everyone I know that knew Biff liked him for the good man that he was. I know people are going to say that you are in a better place now but that still doesn't lessen the hurt that we all feel with your loss. Miss you bud more than you would know.*

“ Biff, I hadn't known you as long as many here have but I thought of you as a good friend. I always enjoyed the conversations we had on different subjects and theories on events in history also ideas you had on your projects you were working on. Thank you for listening also sharing your thoughts and being a friend. You were always smart, quick with a laugh and smile I will miss you, my friend.

“ Biff was my brother in law for 48 years but he was so much more to me and my family. One of the most patient guys that you could ever know. For a guy that never had kids of his own he sure did have a big crew of nieces and nephews that loved him like a Dad/ grandpa. Uncle B was the COOL UNCLE. He taught them riding cycles, rock climbing, gun shooting, repairing anything with a motor or on wheels. He was full of more love for these kids and it showed in each one of their lives. Uncle B, you will be missed and I will love you forever.
