“ *Dillard Family-- sorry to hear of your fathers passing.. My father left this earth in 95 and I still miss him dearly. I know each of you can choose a individual memory to cherish . Certain sounds or smells will remind you of him- just smile and remember that he is with you. The love you feel for your father won't fade with time. But the sharpness of the pain in losing him will dull as the years go by. May your peace come soon. Tina*
