“ So sorry to hear of Bill's passing, I didn't even know he was sick. I am his cousin on his Dad's side of the family. We were not close at all since he lived so far away since we were kids, but it still saddens my heart to hear of this. Bill also had lots of other family that is not listed in his obituary, he is survived by his mother & step dad, Pat & Rico Razo, his 2 brothers, Corbie and Bobby Henderson and lots of cousins, nieces and nephews. He was also preceded in death by his dad, James Henderson, both paternal Grandparents, Corbie & Willie Henderson, uncles, Bill, Shorty & Steve Henderson and his Aunt Bethel Henderson Pickell. Even though they were not close, they still deserve to be mentioned because they loved Bill very much!! Prayers to everyone!!

Thanks for condolence as his daughter i have to disagree with you. Those people that you mention chose not to be apart of my dads life and there for did not deserve to be mention in his obit thank you again for your condolence

Brittanie Henderson - October 26, 2017 at 01:51 PM

This is for Bill, about Bill not about anyone else. Let's keep his heart and that of Shila, Brittanie and Elijah in our thoughts. He was a great person which more of us should aspire to be like!

Bill was one of the best I've ever known. What a kind generous heart he had. It makes my heart happy to know he was surrounded by those that loved and cared for him. He deserved and had the best. My thoughts and prayers are with him, his wife and his kids!!! Big hugs and much love always and forever!!!!

*I picked a red candle to symbolize the love that Billy, brought to his precious family and friends. I didn't get to know Billy well, but feel in love with the family.
