“ I have his family in my prayers. Billy was a great guy that I got to know from work. He would come in and I would give him a hard time too and we would have small counseling sessions. :) He I can say was a guy I'm glad I got to meet and became great friends with! He will be missed and never forgotten.

“ Billy was larger than life. I'll remember his sly grin, his easy does it manner and his zest for life. I was lucky to have known him for even this short while. I'll miss showing up to his house unannounced and being greeted with a smile, every time. He told me to, 'do it right!', I heard him. He will be missed. I will miss him.
