“ *Though it has been 7 years, you still cross my mind every day. The heartbreak of losing you has never left my chest. The pain is as deep as the day you left. I wish you were here to meet your Grandkids, and watch your kids as we grew into adults. I will always make you proud mom. I know you're resting peacefully, and for that, I am thankful. Keep resting in paradise momma. Your loving daughter. 💙*
