“ *Such bittersweet news hearing about Bob's home going! So thankful for the awesome memories we have of him when he was in good health and serving the Lord! His talents were amazing! "Watch the Lamb" was our favorite song he sang! We pray that knowing he now is with the Lamb and can play instruments and sing praises to the Lamb of glory will comfort your hearts!*

“ *Uncle Bobby and I shared two things in common, the love for music and playing the piano. As a young girl growing up I was mesmerized by his ability to play two keyboards at once and sing so beautifully. Oh and his attire from the 60 and 70's was quite memorable. A quiet, tender hearted man. Loved by many.*
