“ I was doing internet searches and come across Bob's obit. Bob and I were cousins. His father Dim and my father Frank were brothers. My family, sister Patsy and brother David met Bob's family for the very first time at Osage hills state park between Bartlesville and Pawhuska, Oklahoma many years ago. We spent many hours just sitting around and talking about our Dad's families. We never got to see Bob again. So sorry to hear of his passing

Thank you. Where did you know my Dad from?

Tammy Thompson - November 27, 2021 at 06:07 PM

“ *My Dad loved to fish, in later years with my brother, before that with me too. I have many great memories from those times. He also loved his cats and had names for them all. He missed Mom and I know they are together now , but Kerry and I sure miss them both!
Love you Dad.*
