“ *Bobby was my Uncle and the last living member of our family. (This now leaves me the oldest living family member.) I have so many wonderful memories, I could write a book! Bobby was so good to me and my siblings, Duane and Connie Jane. I remember every Saturday night being "movie night". Another memory I have is one summer my friend(Randy Edwards)and I wanted new swim suits and we did not have money to get them So, Bobby "paid" Randy and I to wash his boat so we could earn the money! I could go on and on with my memories. I know Bobby is in Heaven and that he will continue loving us all. Patti, I send you our condolences. Your Dad loved you so much. May God bless you.*
