“ To Linda and Kathy, two of my dearest friends ever! I know how much you loved your daddy and how much he loved you. You were his "pretty girls." Linda just a couple of weeks ago when you walked into the room, your dad said, "Hello Beautiful!" How awesome is that? From the time we were kids he was always there for you, what a great legacy. His memories will linger forever and knowing that he is now with God is comforting. He will be missed. Love you both so much, you are in my prayers as well as the rest of the family.
