“ *Bobby was always fun to be around. He loved life and had a passion for his Harley and loved to ride. He also loved his pets and Buddy, his schnauzer, was truly his buddy. Buddy bonded to Bobby like I had never seen before. Bobby enjoyed picking on his guitar too. We had a great childhood growing up together and I love him forever and will miss him terribly. He was strong and fought a good fight. Bobby was a Christian and good family man. I love him and respect him and miss him. Sis, Deb.*
