“ My aunt Nita was a very special part of my life . When my mom (her big sis ) passed away , she kinda stepped in to be a surragot mom to me and my brother . Although we lived hundreds of miles apart she cared about us and kept us part of the family . I loved coming to the pow wows with her . She would gripe and fuss about it but down deep she loved going out there . Not to long ago we were talking about this years pow wow and making plans . I’m-really gonna miss that aunt Nits ! Love you sweetheart ! Until we meet again ❤️❤️❤️

My beautiful friend Bonita will be missed greatly. Even though we saw each other seldom we communicated through text messages and phone calls. I love her like a sister. My special long time friend I miss you and will see you in heaven when I get there. I’m happy we got to see each other in October and you got to meet Rhonda & Tonya; they said they could tell you loved me as much as I love you. Good bye my childhood friend.
