“ *Bonnie always had a big smile when I saw her. She never called me by my first name only by my maiden name of Truitt. We had some good times when we were young. She was always a lot of fun. She met Terry and fell so in love with him. They were soul mates. I will miss knowing she is not walking this earth anymore but rejoice she is with our savior and her family that met her in heaven. Rest in piece old friend. Love you.*

“ I remember when Bonnie and Terry was first dating, she would ask me so many questions! Then she ask how do you know when you are in love? Bonnie love you so much and will miss you more. Good times.

“ There are not enough words to express how much my heart hurts at Bonnie's passing. God definitely broke the mold when He made her. She had a one-of-a-kind personality and I will miss her sass. She was truly one of the kindest people I've ever known. She was feisty and funny, and I always felt her genuine love. What a blessing she was to Terry and her boys, her grandkids and her whole family, and I will continue asking God for strength and comfort as they (we) adjust to life without her. She was so "present" for me during the last couple of years and I will be forever grateful. I'm sure gonna miss her, but I'm thankful to know she is free from pain and celebrating with angels, Dee, Marie, Ted, Jackie and Big Bob. Much love, Kathy.
