“ *Although we seem so far apart,
You're always here within our hearts.
You filled our lives with joy and pleasure
You were to us a precious treasure.
A little while shall pass and then,
We'll see each other once again.
Loved, remembered and held so dear,
In minds and hearts you're always here. We love you Son*

“ *Words can't describe the pain and loss that my heart feels right now. Brandon worked for me as a roustabout. The young man believed in his family and definitely not afraid of work. All he wanted was a breathe of fresh air for his family and himself. He will be missed it was a honor to be his friend.*
