“ *Brandon is going to be missed dearly. Words cannot express how sorry I am for your loss. That is why, during times like this, I try to look to the Bible for comfort. Scriptures like Psalms 46:1 and 55:22 tell us to throw our burdens upon God because He wants to be there for us during our times of distress. It also says that He will brace us up and give us strength when we need it most. I have found that the best way to benefit from His offer of comfort is by getting to know God's personal name which is found at Psalms 83:18. I truly hope that these scriptures will bring you a measure of comfort. Your family has my sincerest condolences.*
