“ *Keith and I played tennis often. I always enjoyed our friendship. He always reminded me his golf skills exceeded his tennis abilities. I was very sad to hear of his passing. My condolences to his family. Keith was an industrious guy and a friend to many. The good leave us too early. Stan Sehested*

“ Keith became our "go to" person for our printer needs here at the Bartlesville Chamber. He prided himself in providing excellent service at the best price. He was always so cheerful and enthusiastic. We will really miss him and are saddened by his death.

“ I remember Keith from our days at the Dewey Church of God. Throughout my life, I have thought about and admired the faithfulness and dedication of Paulette, a young girl, in coming to church and bringing her two little brothers with her. May God bless you and comfort you. You are remembered.
