It's been over a year now... I still can't quite get my head around me. She was my best friend for life... I can't wait to get to heaven and see her again.

“ I only got the privilege of knowing Candi for two years. She was a real light to the world and a true women of God. She was such a large piece to “Gods Gathering Place” and to anyone whom could’ve possibly needed to encounter God. She was kind, hard working and dedicated to anyone and anything she loved. She is dearly missed. We love you Candi! Love on my dogs up there for me will you?

“ Right now I think about Candy and my sister Valerie together, running round somewhere. It could have been with my cousins Johnny and Anna Jane in Ottawa. Riding around on horses all over the countryside playing tag. Or Swimming in the pond. Eating great food cooked up by my Aunt Phoebe. Kinda Helping Uncle Fat with the stock. Just having a great summer. I was jealous. That's what you get for being the older sister. As I remember great and fun times I will send them along to the world. So more later. Join in. Send some of your stories. We will be waiting. Vicki

I remember Candy and Val spending time with us in the country. Now Val, Candy, and Johnny are together again. I am sure they are pulling something on someone. Pretty sure Russel is somewhere in the mix. Love them all.

*“Candi and I bonded on Jesus and tacos... I admire her hard work and dedication to the church "God's Gathering Place"... I'm blessed beyond words that I knew her... she will be in my heart forever. I know she is enjoying her new life in heaven with Jesus and swimming with the sea turtles and dolphins.
See you later Candi,
Love ya!

I am deeply sorry to hear of Candy's passing. When I spent summers with my grandparents, Charlie and Janie Stark, I would ride to town with Grandpa when he would go to play dominos at the "club house" next to your Grandpa's gas station. I would go play with Candy with all her toy horses. My parents Bud and Maxine Davidson were very good friends with Charlie and Marjorie. The first time I ever remember seeing my Dad cry was at Charlie's funeral. Great memories of a dear childhood friend. My thoughts and prayers are with the family during this time.
