“ *Carl was one of our customers who quickly became family. He was the sweetest man. He came in one day to pay for the work we had done at one of his rental and questioned why my grandfather clock wasn't working. I told him I didn't have anyone to fix it. He came back and took it apart, took it home, worked on it and got it running. That was 3 years ago and every time I look at it or hear it go off, I think of him. I am glad he is reunited with his sweet wife Dorothy. You will be missed.*

“ *I'm so glad I had the privilege of living next door to Carl & Dorothy for several years. He would always make time to talk to me when I'd go ask advice on how to do a project, or if I just needed someone to talk to. After Dorothy & my mom passed we would swap food. I loved listening to his & Dorothy's life story. He was a very caring & generous man. He also cooked the best ribs, chicken & Cornish hens I've ever eaten. He will be greatly missed.*

“ I am new in Carl's world having just met him in October of 2021. I moved across the street and he welcomed me like we were old friends. He always had time for a conversation and had so many interesting stories. It was a blessing to have known him even for this short time.

“ Carl and my dad, Leon, were old work pals at P66 and were card playing buddies with Dorothy and Maggie. I saw Carl last Thursday at Murphy's and we chatted all the while we ate dinner. Carl was a good friend and I will treasure the stories he had to tell. My condolences to his family and pray for their peace.
