Carl Williams, Son of Lynn Earl Williams and Iona May Locke was born March 21st 1963 in Kingfisher Oklahoma. He is survived by his father Lynn Williams and mother Iona Locke, wife Pamela Williams, Daughter Jennifer LeDawn McCown, His son Jared Lynn Williams, Daughter Jayla Kay Williams. Sister Sharon Kay Pierce, step daughter. Rochelle Friend, two Brothers Dean Earl Williams and Dan Burdett, 7 grandchildren, a nephew, David Peoples, two nieces, Katie and Kasey Cummins. He was preceded in death by a sister, Gina Williams. Carl Moved throughout Oklahoma with his family and for a short time lived in Garden City Kansas and Alabama. He had a love for family, Race cars and fishing. He was employed by IBP Then Reda Pump and then built his career working for John Deere/ Funk manufacturing in Coffeeville Kansas.. He had a passion for cars and all things fast. As children growing up we were very blessed to of had a Daddy like him he devoted his life, time and attention to his family and the things we loved. If a person were to take the time to walk through his shop they would find that every project was for a friend or family member whether it be a car for his daughter a boat for his

family a truck for a friend or a moped for the neighbor. I have never met a man that was as unselfish with his time and skills as he was. It is a hard truth for us all to face but the world is a lesser place without him here he will be loved missed and remembered by all the people and live that he touched. It truly is a legacy that only a man among men could leave. Forever and always in our hearts- Your family
