“ *"Ma" Herard will forever hold a special place in my heart! She never once complained about driving Chana and I to Bartlesville to shop or even just play....nearly every single weekend! She always made sure there was an ample supply of Dr Pepper and tater tots for the fryer with room at her table for me. I can still hear her laugh at some of the silliness that Chana and I surrounded her with daily! I will be forever grateful for the love she showed me in my teenage years....*

“ I have so many good memories of Carol Charlene from the time her family lived in Norway.  
Their home was always a good place to visit.  
Lots of love and fun.  
I will think of her with warmth in my heart and send hugs, blessings and healing to her family.

“ I am so sorry to learn your Mom, Charlene, passed away. She was such a sweetie!!! I  
always enjoyed visiting with her when she came to spend time with Betty. Now they can start "catching up" on what has been going on!  
I know that conversation will be filled with smiles and laughter. They really enjoyed each other's company.

Your families are filled with special memories of Charlene, don't let them go. They are what keep you smiling on days that are tough.

I am so thankful that we got to meet all of Betty's family. Each one of you are special,  
loving and caring and it shows in your caring for your Mom.  
Becky I would appreciate you sharing this with all of your siblings.

Our love and prayers, Gary and Linda Wooters
