“ I've known Carolee since 1977. We both worked at Phillips Petroleum. We've been friends nearly all this time.

I've been lucky to get to spend some special time with her in the past few months and began looking forward to our time together. I will miss her dearly. Judith Williams ❤️

“ Carolee,

You were such a precious gift to me while you were here on the ServiceDesk. I wish I had seen you again.
I will never forget you telling me once that when you first met me I scared you. Then later you realized I was just a softy.

Carolee, I will miss our visits when you came to my shop for alterations. I'm shocked at your passing and didn't even know of W.L's passing :-(I was thinking I need to call you but it would have been too late. As you always said , love you girl! I will miss you! You were such a good friend!

So sad, We will miss Carolee. It's sad as cousins we don't see each other except at bad times. I miss how close we was as kids in Pruneville. Clyde Gage

“ I worked with Carolee at Conoco Phillips before I moved to Australia. She bought my little purple car from me before I left. She always had something nice to say and was so fun to be around.
