“ As children, memories were made that are forever etched in my mind. As adults, though our paths seldom crossed, the memories would surface from time to time. On August 12th I shed many a tear, but I had to smile as the memories reappeared. I will miss you but will remember you forever.

“ I will never forget working beside Carolyn at SI. We had so much fun and she became much more than a coworker and more like a friend or even an older sister. I will miss her dearly. My thoughts and prayers are with Bob, the kids and grandkids, as well as her mom and brothers and sisters.
